

BE PREPARED FOR A **THREAT IN THE WORKPLACE**

For the past 16 years, R.E.A.C.T. Defense Systems™ has empowered and trained civilians, law-enforcement, military, schools and private organizations for any situation. Let our team of experts develop scenarios specific to your company's needs along with hands on training to create camaraderie & safety in the workplace.

Seminars include:

- 3 Hour long seminar
- Hands-on training with options for on-going training
- Dealing with stressful scenario-based situations
- Hostage situations
- Multiple attackers
- 3rd party protection and more!
